That's fine, something must have come up.
Just drop me a quick email to let me know how (if) it went, and if there is anything you need from me.

Update 2: I still haven't heard back from Bob. I may not be able to attend when they convene. I'm sure you have commitments too.

Update: Bob and Kristen are waiting for Dee. They expect her to return 10-15 minutes.

Jim,

Bob said that he would call me on my cell phone. I have set up this line as a way to have you call in. I'll have to take the call from Bob on my cell phone and then dial back in to the conference line. He wasn't expecting you to call in.
